

## Heart Diamond Field of Divine Protection

*A Sacred Invocation to Shield, Illuminate, and Radiate Divine Light*

“I call upon my Heart Diamond for her Divine Protection, and instantly, she emanates her Light to enclose me in her Heart Diamond Field of Pure Electronic Light. Substances make it so powerful that no human creation can pass through, and instantly consume everything not of the Light and Thy Perfection—within and around my being.

I see the Threefold Flame expanding from my Heart Flame, radiating in the fullness of its divine brilliance—nine feet in all directions—forming my Merkabah of Light, my radiant Temple of Divine Protection. Make and keep me ever sensitive to Your Light and Your Directions, and immune to all imperfect vibration rates throughout the day, and Channel Your Perfect Work through me. Illumine my way. Protect me without limit. Purify the Earth and Her atmosphere all around me, and produce Perfection wherever I abide. And so be it, Thy Will be done. Beloved”  
“I AM” That “I AM” (3x)

 *Use this prayer daily to seal your body, mind, and spirit in God’s Electronic Circle of Light.*
