

Prayer for Healing Cancer & Manifesting Divine Restoration

*For the healing of cancer, the annihilation of all cancer cells,
and the restoration of perfect health in the beloved name
of Jesus Christ.*

Beloved Lord Jesus, Mother Mary, Lord Sarah, the Angel of Divine Healing, and the Ascended Masters of God's Universe, I call upon Your infinite mercy and power to heal all in need of restoration. I invoke the sacred energies of Lord Sarah's Pearlescent White Flame and the Sevenfold Flame to purify my body, soul, and spirit, dissolving all cancer cells within me.

With the power of Father-Mother God, I command that all malignant growths, imbalances, and misalignments be wiped away from the deepest levels of my being. I ask that these cells be replaced by perfect Divine order and health. May the energy of the Pearlescent White Flame flood my body and restore every cell to its highest divine blueprint. I call upon the Healing Ray of Lord Sarah to surround me with Her love, compassion, and grace. In Her precious name, I declare that every cell in my body is aligned with the divine frequency of health and wholeness.

Cancer, you have no place within me – be gone now, in the name of Jesus Christ, in the name of Jesus Christ, in the name of Jesus Christ. "I AM" healed. "I AM" whole. "I AM" restored. I trust in the Divine power to manifest perfect health and well-being, knowing that with each breath, I draw closer to my full healing. "I AM" Wake. "I AM" Free from Cancer. God's Divine Will restores me. It is done; it is sealed. In the name of God, Thy Will be done.
