

Morning, Midday, and Night Invocation

Morning Invocation

The first thing in the morning, I open my heart flame and send my love to my Mighty I AM Presence, and I call forth the Threefold Flame within my heart. I call upon the Pearlescent White Flame of healing and the Silver Ray of Light of Divine Protection to surround me this day.

I call Lord Sarah into my being to receive her Pearlescent White Flame of purity and innocent love, filling every cell, every fiber, and every pore of my being. I call forth the Peacock Blue Flame and imagine the Etheric Pyramid of Energy over my head. I am being reintegrated and downloaded with this powerful frequency of the Blue Flame.

As I breathe in this beautiful Peacock Blue Flame of Light, I know that the Great Pyramids of Archangel Michael surround me, protect me, and keep me safe from all harm.

I welcome the radiant presence of Sarah's Pearlescent White Flame flowing gently through every level of my being. May its healing light touch my body, mind, emotions, spirit, and all aspects of my consciousness with peace, purity, and Divine Love.

I also receive the blessings of the Peacock Blue Flame, surrounding me in Divine Protection, Divine Will, and Divine Alignment.

With an open heart, I consciously command the Pearlescent White Flame to heal and resurrect all aspects of my being into perfect health and wholeness. I seal this blessing with Thy Will Be Done.

"I AM THAT I AM," "I AM THAT I AM."

Midday Invocation

Beloved Mighty “I AM Presence,” I pause for a moment in the midst of this day and return my attention to the Divine Light within my heart. I call forth Sarah's Pearlescent White Flame to fill my being with peace, purity, innocence, and Divine Love. As I sit in this flame of healing, may this sacred flame restore balance and harmony to my thoughts, feelings, and actions.

I call forth the Peacock Blue Flame of Light to strengthen my faith, align me with Divine Will, and guide me upon my path. May the wisdom of God direct my every step, and may the Great Pyramids of Archangel Michael surround me with Divine Protection throughout this day.

I call forth the Silver Ray of Light to purify my energy and keep me centered in the Presence of God. May my heart remain open, my mind remain clear, and my spirit remain steadfast in Love. I walk forward this day in peace, harmony, Divine Alignment, and the radiance of my Ascension Flame, surrounded by Love and Divine Grace. I seal this invocation with the words:
“I AM that I AM, I AM that I AM.”

Pearlescent White Flame Bedtime Prayer

In the name of the Christ that 'I AM,' I call upon my Beloved Ascended Master Sarah, as she blesses me with her Pearlescent White Flame of Purity, Innocence, Peace, and Divine Love.

I open my heart and my mind to be healed.

I call the Pearlescent White Flame into action, knowing that She flows Her perfect work through me as I prepare to lay my body down to sleep. I feel my Pearlescent White Flame, expanding from the center of my chest, enclosing me within the Etheric Pyramid, surround me, extended in all directions around me. I am wrapped in a Crystalline Diamond Field of Divine Love.

I feel my body entering into a vortex of Pure Silver, White energies, gently removing all negativity, discord, fear, and dense energy from my body system. As I enter into deep and peaceful sleep. She transmutes and transforms all that I have accumulated throughout the day into the Living Light of God.

My Pearlescent White Flame restores my body to its original state, bringing balance, harmony, and divine order to every level of my being.

I understand that while I sleep, I am being brought forth into the Fifth Dimension where healing is being brought into perfection. When I awaken, "I AM" renewed, restored, and made whole, in perfect health and wholeness.

Beloved Ascended Master Sarah

As I prepare for sleep, I open my heart to your Pearlescent White Flame of Purity, Innocence, Peace, and Divine Love.

Surround me now in your sacred light. Fill my body, mind, emotions, and soul with the gentle radiance of the Pearlescent White Flame. Let all discord dissolve into Peace, all fear dissolve into Love, and all separation return to Divine Oneness.

I call forth the Silver Ray of Light to surround and protect me throughout this night. May only those energies, teachings, and experiences that are according to Divine Will enter my consciousness.

As I sleep, may I be guided to the sacred realms of Light most appropriate for my soul's growth. May I receive the wisdom, healing, and blessings that serve my highest good.

Beloved Sarah, help me awaken more fully to the balance of the Divine Feminine and Divine Masculine within my being. May my heart remain open to the Love of Father-Mother God.

I rest now in Divine Peace, Divine Protection, and Divine Love. And I'm seal in the Great Pyramid of Power of divine protection.

Almighty I AM, Amen and Amen.

My Decree:

*I AM one with my Pearlescent White Flame,
And my Pearlescent White Flame is one with me.
She brings healing flame into me
exactly as I need it,
throughout the night and throughout the day,
as I choose to live, breathe, and focus on Love.*
