

The Golden White Light of God Healing Love

I open my heart and send my Love to my Mighty "I AM Presence" and my "I AM Christ Self." I welcome Master Christ into my heart and ask Master Jesus to come into my heart daily. I call forth the action of my "I AM Presence" to purify everything in my world this day.

I call forth my Electronic Circle to descend around me. I see my Mighty "I AM Presence" enclosing all of me within His Electromagnetic Tube of Pure White Light. From the center of my chest, a brilliant White Light expands, brighter than the sun. This Light burns not physically, but in the spirit, transmuting all negativity into the Living White Light of God healing love.

I feel Mother Gaia's Light and Love surging upward into my Heart Flame, lifting me up in spirit and surrounding me in a Tube of Golden White Light of God healing love and protection. All of my chakras are now open and spinning in perfect harmony. I pull in my aura, and I AM fully contained within my Mighty "I AM Presence," Tube of Golden White Light.
