

The image is a vibrant, spiritual-themed poster. In the center, a human figure stands with arms outstretched, enveloped in a brilliant, pearlescent white flame of light. The figure's body is composed of this luminous energy, with a bright point of light at the heart. The figure is positioned in a lush, green field filled with a variety of colorful flowers, including pink lotuses, purple lupines, and yellow daisies. In the background, there are majestic mountains with snow-capped peaks, several cascading waterfalls, and a clear blue sky with soft white clouds. A bright sun is visible in the upper left corner, casting rays across the scene. The entire composition is framed by a decorative gold border with ornate floral motifs in the corners. At the bottom, there is a line of text and a small starburst graphic.

Dedication

This booklet is lovingly dedicated to Sarah, bearer of the Pearlescent White Flame, whose sacred presence has inspired my journey of spiritual awakening, healing, and Divine remembrance.

I offer these words with gratitude to Master Jesus, Mother Mary Magdalene, and to Mother Gaia, who lovingly supports all souls upon their path of ascension.

May the Pearlescent White Flame awaken within every heart the remembrance of Divine Love, Divine Peace, Divine Purity, and Divine Oneness.

May all who read these pages be blessed, uplifted, and guided by the Light of their own Divine Presence.

With Love and Blessings,

Rev. Maurice Ramsey

Introduction

For many years, I walked a spiritual path centered upon healing, prayer, meditation, and the teachings of Master Jesus. Along this journey, I experienced many sacred blessings and awakenings that deepened my understanding of Divine Love and the presence of God within all life.

In recent years, a new energy began to unfold within my consciousness—the Pearlescent White Flame of Sarah. At first, I did not fully understand what I was experiencing. Yet as I opened my heart and continued my spiritual practice, I became increasingly aware of a loving, peaceful, and nurturing presence working gently within my life.

The Pearlescent White Flame brought with it a deeper sense of peace, purity, innocence, compassion, and Divine Remembrance. It awakened within me a greater awareness of my connection to Mother Gaia, to the Divine Presence within my heart, and to the sacred journey of ascension unfolding upon our planet.

One day, during meditation and contemplation, I was shown a beautiful vision. I beheld the Pearlescent White Flame rising from the heart of Mother Gaia herself. The Earth was alive with vibrant greenery, colorful flowers, crystal-clear waters, and a radiant blue sky. As the sacred Flame rose from the Earth, it entered through the soles of my feet and flowed upward through my entire being.

I watched as the Flame surrounded my body in a luminous field of Pearlescent White Light. Within this sacred radiance, I felt a profound sense of peace, love, healing, and spiritual renewal. It was as though I was being gently awakened to a greater remembrance of who I truly am. It is this vision, and the transformation that followed, that I wish to share within these pages.

The Vision of the Pearlescent White Flame

Following this vision, I began to understand that the Pearlescent White Flame was not simply an energy or a spiritual force. It carried with it the loving presence of Sarah.

As I opened my heart to Sarah and her Pearlescent White Flame, I began to experience a deeper level of peace, purity, innocence, and Divine Love. Her presence was gentle and nurturing, much like the vision I had received of the Divine Mother caring for her child.

Day by day, Sarah's energy seemed to awaken within me a greater remembrance of my Divine nature. The Pearlescent White Flame was helping me release fear, limitation, and separation while opening my heart to greater compassion and understanding.

I began to realize that Sarah's mission is one of peace. Through the Pearlescent White Flame, she awakens within each soul the remembrance that they are a Divine Child of God. Her presence does not force or demand. Rather, it gently invites the soul to awaken through love, peace, and remembrance.

As I continued to work with Sarah's energy, I felt a growing connection not only to her, but also to Mother Gaia, to the Divine Feminine, and to the sacred journey of ascension now unfolding upon our planet.

As I sat quietly in prayer and meditation, I became aware of a gentle movement of energy rising from the Earth beneath me. It was unlike anything I had experienced before. The energy was soft, loving, peaceful, and yet filled with tremendous power.

Before me appeared a beautiful landscape. Mother Gaia was radiant and alive. The Earth was covered with rich green grass, colorful flowers, and trees filled with life. Above was a brilliant blue sky, clear and filled with light. Everything appeared renewed, restored, and in perfect harmony.

As I observed this sacred scene, I saw the Pearlescent White Flame emerge from the Earth itself. It rose gently from Mother Gaia and moved toward me in waves of shimmering white light containing subtle rainbow colors. The Flame was alive with Divine Love, Peace, Purity, and Compassion.

The sacred Flame entered through the soles of my feet and began to flow upward through my entire body. Slowly it moved through every cell, atom, and electron of my being. As it rose, it purified and illuminated everything it touched.

Then I saw the Flame extend beyond my physical body. It wrapped itself around me in a beautiful spiral of Pearlescent White Light. Layer upon layer of sacred energy surrounded me until I stood completely enclosed within this living Flame of Ascension.

Within the Flame, I felt an overwhelming sense of peace. All fear disappeared. All separation disappeared. I felt only love.

It was as though I was being reborn into a higher awareness of God's Presence. I understood that the Pearlescent White Flame was not merely for healing the body. It was a sacred energy of transformation, awakening, remembrance, and ascension.

As I remained within this sacred radiance, I realized that what I was experiencing was not meant for me alone. In time, all souls upon the Earth would be invited to receive these higher frequencies of Divine Love and Divine Light. Humanity is awakening. Mother Gaia is awakening. Together we are moving into a greater expression of Oneness. The vision slowly faded, yet the feeling remained within my heart.

Even today, whenever I call upon the Pearlescent White Flame of Sarah, I remember that sacred experience and the loving Presence that surrounded me. And I know that the journey of ascension continues.

With gratitude to Sarah, Mother Gaia, and the Divine Light that guides all souls, home.

The Transformation Begins

Following this vision, I began to notice subtle changes taking place within my life. The Pearlescent White Flame was no longer simply a vision or a meditation. It had become a living presence working within my consciousness.

As I continued to call upon Sarah and the Pearlescent White Flame, I found myself becoming more sensitive to the energy of peace. Situations that once disturbed me no longer carried the same power. I found myself seeking stillness, quiet reflection, and communion with the Divine Presence within my heart.

A greater sense of compassion began to emerge. I found myself looking upon others with greater understanding and less judgment. The Pearlescent White Flame seemed to be teaching me that every soul is on a journey of awakening and remembrance.

The greatest change, however, was the deepening awareness of Divine Love. This Love was not emotional in nature. It was a living Presence that seemed to flow through every aspect of life. It brought comfort during difficult moments and reassurance during times of uncertainty.

As I continued to work with the Flame, I became aware that the energy was helping me release old patterns of fear, limitation, and separation. Little by little, the walls that had been built over many years began to dissolve.

I also became aware of a stronger connection with Mother Gaia. The Earth itself seemed more alive. The beauty of nature carried a deeper meaning. The trees, flowers, sky, and living creatures all appeared to be expressions of the same Divine Presence.

The Pearlescent White Flame taught me that ascension is not about escaping the Earth. It is about bringing greater Light, Love, and Divine Awareness into our daily lives while remaining grounded within Mother Gaia.

The journey continues each day. Some days are filled with great clarity, while others are filled with learning and growth. Yet through it all, the Pearlescent White Flame remains a constant companion, gently guiding me toward greater peace, greater love, and greater remembrance of my true Divine nature.

As I look back upon this journey, I understand that the Flame was preparing me for a deeper level of service, a deeper level of compassion, and a deeper understanding of the sacred connection between Heaven and Earth.

The Pearlescent White Flame continues to teach me that true ascension begins within the heart.

Closing Blessing

As I bring this little booklet to a close, my heart is filled with gratitude for the sacred guidance and blessings that have accompanied me throughout this journey.

I give thanks to Sarah, beloved daughter of Master Jesus and Mother Mary Magdalene, whose Pearlescent White Flame of Divine Love, Purity, Innocence, Peace, and Ascension is now flowing throughout the Earth. Through her sacred presence, humanity is being gently invited into a new cycle of spiritual awakening, healing, and remembrance.

I give thanks to Master Jesus for his continual guidance, wisdom, and love, and for helping me understand the deeper purpose of the Pearlescent White Flame upon the Earth at this time.

I also give thanks to Mother Mary, whose loving presence embraces all souls with compassion, tenderness, and grace.

May the Pearlescent White Flame continue to awaken within every heart. May it heal the wounds of separation and restore the remembrance of our Divine Nature. May it help humanity enter a new era of balance, sacred union, peace, and spiritual illumination.

May all who read these words feel the gentle presence of Divine Love flowing through their hearts and throughout their entire being.

With love and blessings,
